

THE V INTERNATIONAL SCIENTIFIC AND TECHNICAL CONFERENCE «METROLOGY OF PHYSICOCHEMICAL MEASUREMENTS»

14-16 September 2021, Moscow region, Park-hotel «Morozovka», Russia

ADDITIONAL INFORMATION!

Dear Colleagues!

The VNIIFTRI is holding the traditional face-to-face V International Scientific and Technical Conference "Metrology of Physicochemical Measurements" from 14 to 16 September 2021 (9.00-18.00, Moscow time) at the Park-hotel "Morozovka" (Moscow region, Russia). Russian and foreign experts in the field of measurements in chemistry and biology will make presentations at the conference. As usual, there are many listeners from metrology services area and laboratories here from Russia and other countries. The event is held in English and Russian with simultaneous translation.

For participants from other countries who will not be able to come to Russia due to the pandemic, access to online participation will be open. The opportunity to make an online presentation on the big screen of the conference room, followed by question-and-answers, will be given to them.

Registration fee for online participation - \$ 150 US (it will be only for oral or poster participations, it includes participation in the conference - 3 days, publication of the Conference Abstracts in the printed version (one copy is for the speaker), publication of the Conference Materials in the international publishing house with indexing in Scopus).

Participants will have the opportunity to find an excellent platform for discussion and exchange of experience with colleagues, as well as with scientists and other persons related to measurements in this area. All participants will be issued a corresponding Certificate.

In order to timely draw up contracts and carry out organizational work, please fill in the Application form in advance and send it to the NTC "NAVITEST": ntc.navitest@bk.ru
The application form is attached.

We are sending a short information about the conference attached to this invitation. More information can be found on the conference website: <http://conference.vniiftri.ru/index.php/ru/>, or by contact the organizing committee:
