CITAC Fees

CITAC collects fees from individual and institutional members for the financial support of the project, namely liaison and membership fees, development and maintenance of a homepage, preparation and dissemination of annual CITAC News, hosting CITAC Members's meetings and additional expenses approved by the Executive or members. Since CITAC is a worldwide organisation with individual and institutional members of countries with different salary levels, the fees of individual members have been set according to regions of the world:

Region	Suggested CITAC fee (EUR)
Africa	50
Asia	150
Central and South America	150
Europe	300
North America	300
Oceania	300

The CITAC institutional fee does not vary geographically and has been set to 700 EUR.
